Contractor,

Congratulations on your project within the city limits of Newcastle. The Oklahoma Tax Commission and this city would like to remind you that materials delivered to your job site within the Newcastle city limits should currently be charged sales tax at a rate of 9%. (4.5% for the state of Oklahoma, .5% for McClain County, and 4% for Newcastle). If you are being charged a different rate than this, please notify your vendor to correct their invoicing.

Also note, there are areas of Newcastle that may have mailing addresses that state another municipality other than Newcastle, but that has no bearing on the correct sales tax jurisdiction that should be enforced. It's based on the physical address.

If vendors need more information on filing your tax, they can contact our Taxpayer Assistance Division at (405) 521-3160.

If you have further questions, please do not hesitate to contact me.
